

Musical and Dance Questions:

Please answer these questions as to how you feel **today**. Not how you felt before or how you would like to feel in the future. Just how you feel and think of your dancing today.

Thank you.

- In your personal opinion, what are the good points about your dancing today?

- Are there any points about your dancing you are not happy with and want to improve?

- Do you have any unanswered questions in your mind now about rhythms, music, or dancing?
