

Thank you for your interest in our course.

You can apply by sending me a short DVD or video CD of your dancing to my music. I would like to see you dancing to one of the classical pieces from my album "**Faddah**", of which there are many. And to dance a Baladi piece like from the albums "**El Amar**", "**Ahlamy**", "**Secrets of the Eye**" or the Baladi part of "**Best of Baladi & Saidi**" CDs. The choice is yours.

On the other hand, if this is not easy for you to do, you will be permitted to come for a 2 hours assessment class with both Serena and myself.

In both cases, you will receive a full written assessment of your dancing according to what we teach and according to our style of work. This will be a positive assessment from which, you will be able to go forward from there on.

You will need to send a check for £200 made to : **Drumzy School of Music & Dance**. This is an assessment and administrative fees. This is if you live in the UK. If you are sending the funds from overseas, you need to send it via bank transfer to:
